WORK EXPERIENCE

UX Designer Intern
Jun. 2019 - Present

Microsoft | *Bellevue, WA*

Design intern for Core UX team on Microsoft Teams.

UX Designer Intern
Jan. 2019 - Mar. 2019

Mastercard - APT | *Arlington, VA*

Design intern for the Test and Learn Flow team. Led redesign of data upload and event creation flows during user onboarding. Conducted over 35 interviews for user research and prototype testing. Collaborated closely with other designers during design critiques, pair design sessions, and brainstorming sessions.

UI/UX Designer & Developer
Mar. 2017 - Present

DALI Lab - Dartmouth College | *Hanover, NH*

Collaborate with other designers and developers on term-long projects to create mobile and web applications for partners. Practice design thinking skills and utilize them during research, brainstorming, prototyping, and iteration.

Design Thinking Teaching Assistant
Mar. 2018 - Present

Dartmouth College | *Hanover, NH*

Provide feedback about students' ideas and projects, pushing them towards more creative and impactful solutions. Champion design thinking skills during user research, brainstorming, prototyping, and user feedback.

EDUCATION

Dartmouth College | *Hanover, NH*
